[Nis]ei Fisherman Missing at Rivers Inlet

By Ted Oian

VANCOUVER — A Japanese Canadian fisherman, has been missing in the Namu-Rivers Inlet area for six weeks and it is believed that he has been lost at sea.

A veteran fisherman, Tommy Sato, left the Great Northern Canneries pier at West Vancouver just before the opening of the fishing season aboard his gillnetter, "Augusta" for Rivers Inlet. His boat is also missing.

At the present time, the Provincial Police, with the cooperation of the United Fishermen and Allied Workers' Union, is searching the wide area in which he is believed to be lost.

For more details, I telephoned the UFAWU official, George Miller of Vancouver. Mr. Miller said that the missing fisherman was about 70 years of age who had returned to fishing last year but retired before the end of the season on account of illness. He was with Great Northern Canneries.

Originally from Niigata Prefecture in Japan, his Vancouver address was Acme Rooms, at 700 block Powell St., where his wife is still residing.

He is the second Japanese Canadian fishermen reported to be missing in west coast waters since those of Japanese ancestry were allowed to go back to the coast last year. Last November, Yotaro Kawasoe of Steveston was reported missing and believed lost near Texada Island.

Just Passing Through

[Th]ese Foolish Things. . .

[Th]is is a story that somebody [told] me.

[Th]e tale hangs whereby a wo[man] got on a crowded city street[car] and walked hurriedly past [the c]onductor without paying her [fa]re.

The conductor called to the wo[man] asking her to please pay [her] fare. She did not move but [simpl]y stood nonchalantly, pre[tend]ing that she did not hear. [At t]he next stop, she got off [the s]treetcar, without paying. [She] was an Issei.

This is not unlike the contro[ver]sy about the Nisei girl who, [whe]n asked in pidgin English [by] an old Issei woman on a To[ron]to streetcar, "Is this Yonge [St]reet?", turned her cold, aris[tocr]atic head and ignored the [sim]ple query. Fictional, yes, but [pro]ved interesting.

This little tale about the Issei [wom]an not paying her fare [pro]ves nothing. Except perhaps, [tha]t the character of the Japa[nese] sometimes moves in strange [inex]plicable ways. Just like any[bod]y else.

Let me suppose that she may [hav]e forgotten her change purse [or] her aching corns would not [perm]it her to walk another [bloc]k. Now, having seen other [peop]le sneak past the street car [condu]ctors, especially in rush [hou]rs or on Queen Street where [condu]ctors do not often even have [a] price of a street car ticket, [she] decided to take the risk.

After all, what was a thin [dim]e when she had to hurry [hom]e to get the rice on the stove [for] Yoshiharu. She could send [the m]oney for the ticket to the [T.T.]C. (the street car outfit) [whe]n she got home and then her [sin] would be erased.

When the conductor nabbed [her] in the act, she froze, and [with] the celebrated inscrutable[nes]s and savoir faire of the Ori[ent]al stereotype that one often [sees] in Hollywood movies [she] ... On the next stop, ... resigned herself ... home. Yoshiharu ... to get his rice ...

... apologize for ... It's really rare ... about such inno[cent] ... that it's some[what] ... in the sense ... Issei woman ... different.

No U. S. Nisei Linguist Called for Korea War

SAN FRANCISCO — So far there has been no call from U.S. recruiting headquarters for Nisei linguists for service in the current Korean situation, the Nichibei Times reported last week.

"However, we have had a standing order for recruiting Nisei for the Monterey language school and for the re-enlistment of ex-servicemen," a recruiting officer informed the Nichibei Times.

Sit in on Lumber Wage Negotiations

KAMLOOPS, B. C. — Negotiations in the 1950-51 wage and hour contract in the logging and lumbering industry of this area are being continued this week here. The International Woodworkers of America (CCL) representing 4500 workers here are asking for 16-17 cents an hour wage increase and a 44-hour week.

Among the IWA officials participating in the wage talks between the union and the operator is Joe Miyazawa of Vancouver.

Nisei Girl Collects $25,000 for Injuries

SAN FRANCISCO — Tamara Fujii, 21, a Nisei beautician, was recently awarded $25,000 in an out-of-court settlement for injuries suffered in a traffic accident last year.

Miss Fujii was struck down by an auto as she was alighting from a train, en route to work. As a result of the accident, she suffered permanent injuries and asked for $35,000 damages.

Settlement was made three days before the case was to go to court.

Hopes to Sell Mikan In Eastern Canada

Japanese oranges may appear in groceries and fruit stores in Eastern Canada for the first time next winter.

Tomio Fukushima, managing director of the Mainami Trading Co. Ltd., arrived here last week for the purpose of seeking to market Japanese oranges in Toronto and Montreal where they have never been sold before.

Last year, 90,000 boxes were exported to Canada through SCAP but were sold only as far east as Fort William, Mr. Fukushima said.

Before the war, he was in New York and in Seattle, from where he made several business trips to Vancouver. He returned to Japan on the first wartime exchange ship.

Florida tangerines offer the only serious competition to Japanese oranges, but they contain seeds and are not as sweet, he pointed out. He has visited Vancouver, Winnipeg, and will next head for Montreal, from where he will go on to New York and Chicago.

77 U.S. Claimants Seek In Excess of $100,000

WASHINGTON, D. C. — The U. S. Senate on July 14 voted to allot $1,300,000 towards the Justice Department's program to indemnify Japanese Americans for evacuation losses. This appropriation is for the 1951 fiscal year of which $1,000,000 is earmarked for payment of claims and $300,000 for their adjudication and administration costs.

Earlier the House of Representatives had approved a $4,000,000 budget, but specified that only $250,000 could be spent for administration. Although the Senate claims budget is considerably less than the house version, Mike Masaoka, JACL leader, considers it to be the better as the greater need at the present time is for a largest possible adjudication budget so that as many claims as possible could be adjudicated.

The JACL sought $500,000 for the administration of the evacuation claims, and they will continue to make every effort to expand the funds to this sum, but Mr. Masaoka pointed out that the Korean situation is having an immediate effect on all domestic appropriations as defense needs take primary concern. There is little likelihood that any non-defense bills, including the evacuation claims program, will get through the present Congress without some reductions.

The Justice Department which must handle the evacuation claims, had appealed for additional administrative funds to speed up the program.

In its appeal the Justice Department noted that while it was assumed that the vast majority of cases would be of the "pots and pans" variety requiring only brief adjudication, it was found that there were relatively few such cases.

Seventy seven claimants were asking for amounts in excess of $100,000, each of which would require tedious examination. The average amount of all claims came to more than $5,000, and there were almost as many claims above that amount as there were claims in amounts under $1,000.

Dr. Kagawa To Speak At Hamilton Aug. 30

HAMILTON — Dr. Toyohiko Kagawa will speak to a meeting of the Japanese people of Hamilton and surrounding district on Wed. night, August 30, at 7:30, in First United Church, at King and Wellington.

N. Denver Movement Slows, Few Leaving

NEW DENVER, B. C. — Believed to be the result of protests from New Denver merchants, Japanese Canadians are no longer being urged by officials here to leave for other points. This has eased the unsettled atmosphere somewhat and residents are working on their gardens and otherwise are showing indications that they are not moving out.

However, four families moved out in July, while two others are leaving shortly, and another is contemplating departure. There are very few Niseis left, most of those leaving recently for Vancouver.

The Problem of The Returned Nisei

By Staff Writer

Loneliness is the problem of those Niseis, who went to Japan at a very young age only to be stranded there by the war, and who have returned in the last two years to Canada. They feel lost in a strange land among unfamiliar people.

After talking to several of these Niseis who spent most of their impressionable years in Japan, this writer has found that they are having difficulty in adjusting themselves in what seems to them an entirely changed world. Difference of language, customs, conditions and even ideas is difficult to grasp ... and all this ... [illegible]

English, and armed with their knowledge of the western language, they would be able to secure good positions in Japan. With better opportunities, in a country and among people they know they would be content despite any material privations they might have to suffer there, they say.

But this writer believes that by studying the English language diligently will help them overcome their loneliness, and will also probably ease their wanting to go back. The language barrier is perhaps one of the biggest stumbling blocks to their finding a place in our social ... and once this is alleviated to a great degree, they will find that their despair and frustration ... their sense of not belonging ... will also evaporate.

Understanding of the language ... bring a gradual ad... ... way of think-ing and they will in time learn to love and accept the new world about them. And should they ever go to Japan after a few years here, it's probable that they will then long to get back to Canada.

True, they'll always have a place in their heart for their childhood in the Orient. Just as we still feel that the B. C. coast is a part of us, they can never forget their days in Japan, but it will not be accompanied by a feeling of loneliness and a frantic desire to get back as they feel now.

Ask the Issei. They would like to return to Japan for a brief visit, but most of them have no hesitation as to where they ... to remain.

But the Nisei, that is, the rest of us, can go a long way towards speeding their adjustment ... who has been back ...

LETTERS TO THE EDITOR

Editor, The New Canadian.

I wish to thank publicly all those who worked so hard on the recent JCCA picnic to make it a successful affair.

Too often in the past, the JCCA members who worked hard and gave up a great many hours of their leisure time for the Japanese communities all across Canada, went unsung and unappreciated, not because we did not appreciate the work of these young men and women but through ignorance of the time and effort entailed in preparation of any projects, be it a dance, picnic, concert or political action affecting the Japanese Canadians. Particularly is this true when it comes down to individual cases.

Therefore, as chairman of the Picnic Committee, I take this opportunity of naming names.

Space will not allow me to name all those who helped at the picnic. Much as they deserve to be mentioned, I must limit the names to the chairmen of the committees and individuals who worked so hard in planning and preparing the picnic. The committee as a whole met five times and the sub-committees met in-between so that some members met more often.

I am sure that all those who attended the picnic will wish to join the JCCA in thanking the following chairmen and their committees. (1) Miss Masako Miyazaki and Mr. T. Kameoka — Ticket Committee. (2) Mr. Hugo Yamamoto and Mr. Toyo Takata — Publicity. (3) Mr. George Takeda and Mr. Nobuoka — Transportation. (4) Miss Miyo Iwasaki and Mr. Sam Kamo — Refreshment. (5) Mr. Ken Kutsukake and Mr. Roy Morito — Sports. (6) Miss Jackie Iguchi and Mr. Ozawa — Prizes. Mr. Ken Hori did an outstanding job as Master of Ceremonies. Miss Yoshie Hikida and Mr. Tammy Marahashi gave invaluable assistance to the committees.

To repeat, there were a great many others who deserve to be mentioned for their hard work but space will not allow me to name them all.

However, a special thanks must be extended to Misses Mary Kunitomo and Frances Shishido for their contribution to the [illegible] [illegible] the Tri [illegible] Chapter executive members, both Isseis and Nisels.

We are also indebted to those who donated prizes for the picnic.

Finally, on behalf of the Picnic Committee, I would like to thank all the guests at the picnic for their patience and co-operation, particularly during the morning rain.

Fred Kayahara
Chairman, Picnic Committee

Editor, The New Canadian:

Your following up on the Manitoba Flood pleased me immensely for it kept me posted on news of friends and relatives. Thanks to you.

Some of the Niseis in the U. S. know so little about the Japanese in Canada and it astounds me once in a while to hear someone say, "You people have a paper too?" That's when I really start telling them about a few things we have and do in Canada, even bragging a little. They generally end up by saying that they'd like to go up sometimes to meet the people and see this great Canada of ours.

Another thing that strikes me is that nearly everyone knows someone in Canada. Some even have relatives whom they know so little about. There are names like Shimizu, and Nakagawa, and also many families of which I know but I finally have to end the conversation by saying that Canada is a large place.

Once again, thank you. Keep up the good work.

Molly Kitajima,
Oakland, Calif.

Ednor, The New Canadian

Permit me to offer most sincere thanks and appreciation for your assistance in making known the fact (through your issue of July 8) that a strong revival of British Rugby Football is under way in Ontario. You will be interested to hear that I have already received a very promising response as a result of your article.

Might I [illegible] a suggestion, invitation and challenge. All Toronto, and many other sporting [illegible]. [illegible] of the Japanese Canadian Western Baseball Club, and [illegible] [illegible]

Western's interest will no doubt be primarily baseball, could they be persuaded to consider sponsoring a New Canadian British Rugby team as a continuation of their activities into the fall? If they could even provide a nucleus for such a team, the matter could be gone into as a practical possibility.

May I ask the favour of a reply through your columns to this invitation. We are really anxious to obtain the co-operation of the Nisels in this venture.

THE WEEKLY HABIT

By TOYO TAKATA

Last winter, we warned that conflicting dance dates by Toronto Nisei organizations could lead to disturbing incidents. We would like to echo it again.

Here it is July and the jockeying for the fall has begun. Already two organizations have set and announced events for September, obviously for tactical reasons, to make sure that no one else will take them. We don't condemn them nor any other club for moving fast, if they don't someone else will. And we know that these clubs are in need of funds.

But this sort of scuffling and manoeuvering is tantamount to ruffled feeling and misunderstanding that do no one good.

The only sensible solution is to set up a central committee as before to fix and allot dates as was done a few years ago. This would go towards straightening things out before difficulties arise.

Recent experiences have proved that two dances on the same night catering to a similar group does not work out. There's not enough of us to support two functions and make both of them a financial success.

For their own good, clubs should get together.

• • •

Although the well-known Nisei dancers of Japanese classical dances, Haruko and Tomeko Uyeda, are definitely coming up in October to perform for the Toronto YBS' annual production, we would like to pass the word along to the Toronto Nisei males, that they are both engaged. They announced their engagements jointly, and their fiances will be coming up with them from the Windy City.

We have met one of the sisters during one of our visits to Chicago and we must admit that the YBS could not have made a better choice for their coming production. This is the first time that "imports" have been attempted and we can see that they will attract a packed attendance to their show.

• • •

Speaking about imports, there have been a lot of personal appearance tours by name Japanese artists in the United States. Several companies did the rounds of the Japanese American communities in the spring, and presently, Misora Hibari, the juvenile star and perhaps the most publicized of them all, Shirley "Rikoran" Yamaguchi, who really has the Hollywood look, are earning American dollars.

They certainly would be a big attraction if they could be induced to make an appearance in Toronto. We've never had anything like that up here, and they're sure to draw a packed house.

The Isseis would have loved to have the singers up here in person.

• • •

The "Nisei" in Nisei Week, the annual big doings in Los Angeles' Li'l Tokyo, is getting to be outdated.

The big attraction of the festival is the naming of the queen.

So far, they've four candidates for the honour and not one of them is a Nisei. They're all Sanseis. Shows that in the States, the offsprings of the Nisei are growing up, a high percentage of Japanese Americans must be Sanseis, and maybe even a sprinkling of Shiseis.

Here, we know of no full-blooded Sansei (that is where both of the parents are Nisei) who have reached the age to become queens. They're still mostly eligible for baby contests.

There are a number of those, one of whose parents is a Nisei, but the other an Issei, who are in their teens and twenties. The oldest Sansei we know is about 12.

And we're not too anxious to see the time when Sanseis are grown up. It denotes that the Nisei are getting old.

NISEI IN FISHING, OPENING OF NEW HOTEL

BY TED OTSU

Salmon Run Starts

The Vancouver News-Herald, recently announced the opening of the Spring Salmon Run. On its second front-page, three pictures referred to the Japanese-Canadian fishermen who have returned to the Fraser River district.

One of the photos showed Harry Doi as he prepared his gill-net, and another fisherman in view was Michi Utata.

At present there are approximately 700 boats in the spring salmon run but when the big sockeye run begins on July 25, it is estimated that some 5000 boats will swell the Fraser.

Chinese Businessman

Perhaps the corner of Columbia and Hastings strikes a familiar note with former Vancouverites.

花

「いや、氣がつかなかつたが、椿の花つていふのは、やはり美しいね」

「いや、それのもつと、花のきれいな場所があるのだ。」と、牛木利貞が主張する。

「多分、もう咲いてゐるだらう。」

竹藪の竹の根もとに紅い椿の花が落ちてひろがつてゐるのを見ながら、だらだら坂を昇り、僅かばかりの石段を踏んだ。

「開山の無學祖元の墓が、この奥にある。單純に、岩の塊を一つ置いただけのものだ。」

「なるほど、いろんなことをよく知つてゐるな。その一升壜をヘヨウタンにすれば、もつと似合つた。」

「しかし、俺は由緒や因縁のこと、贅澤なことは望まぬ。ただ、ぼんやりと、この春の日和を樂しむだけで一杯なのだ。つくづくと日本の春だなあと思ふ。とろりとして、この柔かさは。……ヨーロッパの春も、よかつたが、やはり違ふのだ。」

境内に一歩入ると、夕日をあびて満開の白色の木蓮の花と、これに向ひ合つて咲く吉野櫻の、空の藍色の中に泛んだ華やかな姿が思はず恭吾を立ち止らせた。

「これは明るい!」

何とも云へぬ、明るい色である。この花あかりは左右に開いた時宗廟の扉にも映つてゐた。花びらの厚い豊かな木蓮の花と、明るい海の貝殻を無數に集めたやうに輕くさわやかな櫻花の群がりやうと、夕日を含んで、底光りするやうにしつとりと輝いてゐるのだ。恭吾は、立ち止つて凝視したままであつた。

「忘れてゐたよ。」

とほつとしたやうに、

「いや、昔も實は見てゐながら、と云つてよいのかも知れぬ。櫻色と云ふのが、こんな美しいものだつたとは氣がつかなかつた。」

かうして聲を掃いたやうに明るい空に花をかざして見せてゐるせゐかも知れぬ、と思ひながら、その理由を求めようとする心持にはならぬ。

木材産業賃金交渉

こんどはビーシー州奥地の分開始

ビーシー州内の日系人勞働者にも大きな關係がある木材勞働者と雇主側との勞働契約交渉が行きつまつて危うくストライキ決行になろうとする一歩前で無事に解決し、勞働者側が有利な條件を得たことは六月廿八日のニューカナデアンに報道した如くであるが、あれはビーシー州沿岸だけの木材勞働者三万二千人に關するもので、カムループス方面その他のいわゆるインテリアの木材勞働者の分は則側となつて居り、インテリア方面木材産業の勞賃交渉が七月十一日からカムループスに於て開始された。この交渉會議に雇主側を代表して出席しているのはインテリアの木材産業家を代表する晩香坡のカナダ製造業者協會のマホニー氏で、木材勞働者組合代表はトム・マケンジー、ゼー・モリス、宮澤二郎三氏であるが、カムループスに於ける第一回の會合は協調的な態度でスムースに話が進んだと報ぜられている。十七日にはプリンス・ジョージで會合し更に二十一日にはカムループスで會合することになつて居る。勞働組合側の提出している要求は次の諸點である

△時給十七仙增加 △ユニオンショップ制度（組合員になるよう雇主側も勧める）△一週四十四時間勞働制を基本として土曜、日曜の就勞には一倍半の增賃

日本訪問に制限

日本ミカンの東部進出へ努力

昨年のクリスマスやお正月には幾年ぶりかでなつかしい日本ミカンの皮をむけると樂しみにしていた東部カナダの在住日系人は「日本ミカン九十万箱來る」の新聞報道にも拘らず一個のミカンも店頭に發見することが出來なく落膽したものだが、なぜ東部カナダに來なかつたかという原因と更に販路を擴張する目的で日本ミカン輸出商の福島富雄氏が米國經由でトロントに來市本社を訪づれ次の如く語った

日本ミカンは御承知の様にフロリダ産ミカンよりおいしく一度味えばきつと東部カナダ人に好評をうける自信がありますが、どうしたわけかフォート・ウィリアム以東には全然と入つて居ないのでそれの理由を調査すると共にトロント、モントリオルの輸入商社にコネクションをつけ、今年こそはうんと日本ミカンをこちらにさばくつもりなのです

なお古屋商店でも日本ミカン販賣に就て白人會社と商談を進めて居り大体その見通しもついている折柄、福島氏らと協力して日本ミカンの東部カナダ進出に努力することになつて居り、あるいは今年のクリスマスには箱入り日本ミカンは豊富に手に入ることとなろうと期待されている。

動亂以來の大激戰 米軍遂に大田放棄

（東京發）米軍主力部隊は十七日夜防衛中の交通の要衝大田を放棄した

南鮮の假政府所在地であり、米軍前衛司令部のあつた交通總道の要衝大田を三方から攻めて來る優勢な北鮮軍を數日間勇敢に喰い止めていた米地上軍も十對一の北鮮軍の猛攻にはどうすることも出來ず、十七日夜遂に放棄後退したが大田の攻守戰は朝鮮戰爭が始つて以來の一大激戰であつたといわれる。ユナイテッド・プレスのジーン・サイモンド記者は大田を未明に撤退する直前、電話で「文字通り見放されたこの大田の街に居殘つて人々は自動車が動かなくなつて立往生している數名の南鮮兵と一、二名の市民とわづか十二、三名の米軍だけである」と傳えている。マ元帥は大軍と對戰、よく持ち耐えたと米軍の勇戰を讃えている

戰爭は長びく カナダ總督語る

【キャルガリー發】カナダ總督アレキサンダー卿は十五日當地に於て軍人としての意見だがと前置き「國連警察軍は少くとも六個師團の兵力を持たなければ朝鮮戰爭に勝つことを望まれない」と述べると共に戰爭は數ヶ月も今後つゞきもし共産國際軍が參加すればまだ長びくであろうと語つた

國防强化へ カナダが二万募兵

【オタワ發】朝鮮戰爭の戰局の惡化とカナダの國防を强化するためカナダ政府は一万五千乃至二万名の志願兵募集に拍車をかけることになつた旨信すべき筋から傳えられているカナダ現在の國防兵力は豫備を入れないで四万六千にすぎず、現時の世界情勢に伴つてカナダは常備軍を六万五千に增强する計畫が國防省で進められている。この兵力は陸空軍に限られているものであるが、リー國連事務總長のカナダに對する「陸軍の朝鮮派遣」の要請に應えるとすれば四万六千の現時常備軍から送ることになるわけであるが、その中の九百名は海軍であつて、たとえ常備軍を六万五千に增强してもカナダは一万乃至二個聯隊以上を海外に派遣することは極めて困難な立場にある

補給路の確保重大

＝釜山は殘された唯一の海港＝

【ワシントン發】大田を放棄した米軍は南下、新たに防衛布陣しているが南鮮の米軍に武器彈藥と食糧を供給するいわゆるサプライ・ラインの心臟部は殘されたタッタ一つの海港釜山である。もし釜山が破壊又は占領されればそれこそ朝鮮作戰は完全にくずれてしまうであろう、幸い今日までのところ北鮮軍より空爆をうけていないが、ソ連が北せん軍に空軍を貸し與えるとなれば釜山の運命も危い、大型軍用船を横づけできる港は釜山以外には南せんにない、米陸軍歩兵一個師團一万七千の兵隊に車輛、武器その他を加えると約一万七千トンという重量になり兵隊一人に對し一トンとなるわけで、補給ラインの維持如何は今後の戰局に大きな影響を投げるものである

之に對してアチソン米國務長官がこれらの外交的手段につき[illegible]かが極めて注目されているが、北鮮軍が三八度線以北に戻らぬ限り、米國は妥協する用意はないという態度である

京城を猛爆

【東京發】米空軍ビー二九重爆機五十機以上は十六日約四百トンの爆彈を京城に投下、建物を炎焼、鐵道線路を破壊したと發表した

印度の調停 スターリン回答

【ワシントン發】印度首相ネール氏が朝鮮戰爭調停に關する外交文書をスターリン首相に送つたところ「國連安全保障理事會に中共支部の代表を列席させれば萬事解決するであろう」と返答したといわれる

カナダと朝鮮問題

朝鮮の戰亂がおこり國連安全保障理事會の決議にもとずきカナダは三隻の驅逐艦を朝鮮水域に送つたことは既報の通りであるが、國連リー事務總長は先週朝鮮で苦戰を續けている米軍を援助するために國連加盟五三國に對して地上軍隊を派遣して貰いたいという要請狀を發した。カナダもこの申込みを正式にうけたのでサン・ロラン首相はハラデーから急據オタワに歸還し直ちに閣僚會議を開いてこの國連の要請に就て熟議することになつた。これによつて陸軍派遣と決定すれば目下休會中の議會を臨時召集することになる。ピアソン外相は先週末トロントに於て「朝鮮戰爭のためにカナダが全的動員を行うが如きは不賢明なことだ、世界の他の場所でツラブルを起そうとする第三國だけがそうすることを喜ぶだけである」と述べているが、國連が今回失敗すればそれこそ我々の世界組織だけでなく平和そのものに重大な結果を招くであろう、カナダは國連加盟國の一員としての責任を果す覺悟であると主張している。今回リー國連事務總長から陸軍派遣の要請をうけ、ピアソン外相の「責任を果す」ことになればカナダもいよいよ相當兵力の地上軍隊を朝鮮戰爭區域に國連警察軍として派遣することになるわけだが、目下のところ甚だ疑問視されて居り、多分大型飛行機だけ送るかも知れぬ。

喫煙者に多い肺臓ガン

【パリ發】當地で開催中の第五回國際ガン研究會議で三名の米人科學者が米國に於て最近めつきり增加して來ている肺臓ガンは喫煙（特にシガレット）による影響だとそれぞれ發表して注目を惹いている。毎年約二万の米人が肺ガンで死亡して居り年を追つて激増している傾向だが、タバコの煙を吸い込むことによつて肺内にガン症状を起すことには疑う餘地ないと實驗結果を發表している。肺ガン患者はシガレットを過去二十年間のんでいた男子が多く、禁煙者には肺ガン患者は少い

カナダ工業界 資料不足で打撃

朝鮮の戰爭はカナダ工業界にどんなに響いているか――「戰爭恐怖」の無茶買いはないが七月一日より解禁された米國製品も原料資材のスチール不足のためカナダ輸出は困難となり、電氣器具類、冷藏庫自動車などの供給は少くなりつゝある、一方カナダの製造業者も勿論米國よりのスチール供給がむつかしくなるので製造能力は相當カットダウンされることになろう消費者はそのため昨年末頃、同様の品不足を經驗すると共にクリスマス頃には値段が上るのを見るであろう、一番打撃をうけているのはスチール産業で現在でも米國よりのスチール[illegible]四、五ヶ月の遲配となつているが、鑛物産業は大して影響をうけていない模様である

電話レート値上

かねて電話レート値上げをオタワ運輸局に請願中のベル電話會社は七月廿二日よりクベック、オンタリオ州内の個人及び商業用電話レートを値上げしてもよいと許可をうけた平均增額は月卅仙から五十仙

ハナシ

[illegible]器に使用するアプッドを[illegible]入用というアピールを出したところ米國、カナダ、フランス各國十四名の婦人から今後二十年間使用出來る會髪の寄附をうけた△十六日の日曜午後カナダ側ナイアガラ瀑布から金屬性タルに入つて落下を試み流れて行く途中、警察が待つたとこの冒險旅行を中止させた、再舉するといきまいているが――

野坂參三氏も行方不明

【大阪發】法務府特審局近畿局では行方不明の野坂參三氏が近畿某縣にきたことをつきとめた模様で、七日午後係員が所在確認のため現地に急行した、現在までに同支局が内偵したところによると野坂氏は追放後は近畿某縣の二ヶ所を本據として居所を變えて轉々としていることは確實とされている

PASSING THRU

(Continued from Page 1)

Some Issei parents have preached that idea, putting the Japanese stereotype on a tin-god pedestal. Too much of this rigid disciplinary code may boomerang.

Like one day this spring, somebody approached me for a quarter. He was in his 'teens, and a sorry looking specimen to boot. Around his mouth were left-over scraps, mostly egg-yolk, and his clothes looked like they would shame a surplus store.

It's rather needless to say, at this point, that he was a Nisei.

His story was plaintive enough. I've heard many such stories. He ran away from home, somewhere near St. Catharines, he said. He was looking for a job in Toronto. Any job, even dishwashing, would do, and he was hungry. Thus, the quarter.

On the cold, hard cement sidewalks of Toronto, one is unlikely to find charity. Here this rundown Nisei kid with crumbs on his face, bile in his mouth, and a look of a pleading, beaten animal, would probably find no mercy, or help.

Did I give him the quarter?

RETURNED NISEI

(Continued from page 1)

little over an year, said that she works in a factory and the other Nisei girls have been very helpful and considerate and have gone out of their way to assist her at the shop.

On the other hand, one returned boy attended a Nisei dance and trying to make conversation approached a person and spoke in Japanese. He was brushed off with "Why don't you speak English?" Understandably, that boy walked out.

It would seem that we could bring these fellow Niseis more into our midst and help them in their period of adjustment, to get them straightened out. It costs nothing outside of a little effort on our part, and it is a worthwhile expenditure.

But the story of the returned Nisei is not strictly a sad note. It has its funny side. One boy, who hadn't seen his father for a long time that he could not remember him, said that when he first met him in Toronto, he was disappointed. He expected his father to be quite tall, but upon meeting him, his father was shorter than he.

Then there was a girl who was asked by a hakujin roomer for a pail. She couldn't understand so the roomer made signs that she wanted to use it as she was going to scrub the floor.

So the Nisei girl handed her a mop.

Trinity Men's Open Reaches Quarters

Tommy Nobuoka, last year's cup winner, led seven other hopefuls into the quarter finals as they survived their tests on July 16. The tennis tourney will be resumed next week.

Challengers include Johnny Tanaka, the Nisei Open Singles and Doubles champ, who is second seeded; six foot, 17-year old Mitch Thomson, who was runner-up in the Trinity Closed Tournament; Tiley Tsujimoto, the St. T. N. and Nisei Open Consolation champ; Hatch Yagi and Mickey Matsubayashi, the most promising youngsters on the JCCA roster who are expected to give stiff opposition to Nobuoka-Tanaka duo in the Nisei Open Doubles; and Nash Fukumoto, a beginner last year with the TYBS tennis group.

Some strong mixed doubles teams were practicing their strokes late in the afternoon, including many Mr. and Mrs. combos such as Tom and Sue Iwasaki, George and Molly Ide, Hank and Dot Shoji, and Tom and Mary Nobuoka.

The TYBS group was strengthened considerably with the addition of powerhouse Oscar Hatashita and stylist Roy Shin, along with future possibilities, Aki Muramoto, Misako Murakami, and Mary Nakamura.

The annual Bussei outing for young people will be to Crystal Beach by bus on Saturday, August 12, fare is $3.25. Early reservation is requested by Jimmy Takemura, OL. 1308 from tennis members and friends.

JCCA Acknowledges

The National JCCA desires to acknowledge with appreciation contributions received from the following:

ACCENTS ON SPORTS

To a writer in Fort William who does not reveal his name, we're grateful for the Nisei sports news from that Lake Superior port-city.

We understand that many of the Japanese in Fort William are beginning to pull out their stakes for other points as there is a slowdown in the mill. And with the departure of many Niseis they have not been able to enter a team in the Lakehead Senior League as they did last year.

• • •

Bill Okada, who was the coach of the Nisei entry last year is now an umpire of the Lakehead Senior Baseball League. His knowledge of the game as well as his sound judgment and impartiality behind the plate has put him in solid as an arbiter.

Bill is a veteran Vancouver Island ballplayer out of Chemainus and for many years was an outstanding player of the Chemainus Nisei entry as a pitcher and infielder and was frequently chosen on the All Star team representing that mill-town.

• • •

Batting an amazing .520 to lead the Lakehead Senior League is Dick Mitsunaga who is playing for Fort William East Ends. Last year he was the leading hitter for the Lakehead Nisei ball team.

That sounds good especially when the Nisei are noted for their willy-nilly stick work.

Pitching for the Port Arthur Giants is Yosh Tatebe. He's also doing a fair job with the bat as he is hitting .286.

• • •

Coaching the top team in the circuit is Harold Asano whose charges are the Port Arthur Red Sox.

So despite the lack of a Nisei entry they are well represented in the loop, as umpire, coach and players.

• • •

A number of Nisei youngsters play in the Midget League with the East End Midgets who are currently in first place. Among the players are Kenji Tsubouchi, Tak Tatebe and a young leftie just turned 13 Ronnie Miki who was brought up from the bantams.

The team is coached by Sam and Dick Mitsunaga.

• • •

There are a number of Niseis playing fastball here.

Casey Iwasa and Frank Hoshizaki are at first base and on the mound respectively for the Great Lakes Lumber Co. in the Lakehead Industrial League.

Shig Mitsuki, second base, and Dick Mitsunaga, short-stop and outfield, are with the CPR Shops which play in their own CPR league.

Sam Mitsunaga and Sab Arinobu cavort on the short diamond for Kuni Motors in the Lakehead Motor League.

• • •

And Dick Mitsunaga, again, lucky boy, also coaches the Senior Girls Softball team, the Bryans Clothing of Fort William, and he's doing pretty good with the hakujin girls.

He has his team in first place. In the very near future, he will lead the team across the line to engage in exhibitions with the Duluth and Superior teams in the state of Minnesota.

Film Role for Shigeta?

The more than 70,000 telephone votes recorded in Hawaii for James Shigeta, the 21-year old University of Hawaii student who won the title of "the most talented amateur in America" in winning the $2,000 first prize on Ted Mack's Original Amateur Hour over the ABC network, were not counted by contest officials.

The phone calls for Shigeta, following the rebroadcast of the Original Amateur Hour program over Honolulu's KULA on June 25, caused the greatest jam in telephone service in Honolulu history, exceeding Pearl Harbor day. Contest officials in New York later decided not to include the Honolulu calls in the tabulation, ruling that most of the ten other contestants did not have the advantage of telephone voting.

In addition to the phone calls, 48,313 mail votes were received by the Honolulu station. The "Hooper" rating for the total audience tuned to KULA for the broadcast in which Shigeta sang was reported by station officials to be the highest in Hawaiian history.

It's now reported that James Shigeta has been offered a screen test by a Hollywood studio.

The Madison Square Garden audience of more than 15,000 which roared its applause for the Nisei baritone was the largest paid audience in radio history. All proceeds were donated by Old Gold cigarettes, sponsors of the program, to the New York Foundling Home.

Toronto Sangha Formed for Older Busseis, Ed Yoshida President, Plan Membership Drive

For the first time in the history of Buddhism in Canada, a Sonen-kai, an organization for the adult or older Nisei group, has been formed in Toronto. This organization is to be known as the Toronto Sangha.

The underlying purpose of its formation is two-fold; to promote the spiritual welfare of those in this age group, and to assist in the various phases of the church work.

The formation of such a group within the Buddhist church has been in the planning stage for sometime, and it becoming a reality is due greatly to the tireless effort of the preparation committee.

Ed Hideo Yoshida will head the first executive of the new group as its president. He will be assisted by Harry Shota Kondo, vice president; Yoshio Ted Terada, English secretary; Mamoru Nishi, Japanese secretary; Kojiro Ebisuzaki, treasurer; Tom Shimizu, membership; Heishiro Matsuyama, welfare; Harry Kumano, social; Tom Ohara and Frank Yamamoto, auditors; and Don Sugiman, R. Fujii, Iwakazu Sakai and M. Kawabata, counsellours.

The executive has planned a large scale membership drive during the month of July to embrace all people in this age bracket, and a request is made to all those of Buddhist faith to rally forth for this drive.

If any potential member is not contacted during the drive, he is urged to contact a member of the executive.

Westerns Break Loss Skein, Blank Yorkies

A long famine of six straight winless games was relieved when Westerns eked out a 1-0 extra inning win over West Yorks on July 15. Both teams were unable to score in the regulation seven innings as it was a hurler's game all the way.

West York's Hap O'Donnell, however, issued four walks in the eighth to force in the winning run. Southpaw Johnny Walters pitched a 3-hitter to record his second win for Westerns.

In a replay game in the nightcap, Westerns tied Mayfair, S.S.
